The Smartest of the New Spring Suits.

We have a choice showing of a few of the latest ideas in Spring Suits. These are samples made up especially for our early showing. Coats show the very smart long graceful lines with narrow sleeve and new effects in collars and fetching touch in linings. Some are absolutely plainly tailored, but perfect in cut. Skirts are closely fitting and a trifle narrower. This is a collection of models you ought to see now—before they begin to go. Come in and give us your judgment on them.

EARLY SPRING SUITS.

The new Spring shades are very attractive and are sure to be very popular.

At \$18.00 is a very attractive Suit of a blue Panama, with invisible stripe. Coat is made thirty inches long, with the partial fitted straight lines and finished with buttons, same is lined with a guaranteed satin lining. Skirt is made circular gore and is fuller than the average Skirt this season.

At \$20.00 are some Suits in brown, gray and taupe. These are in a fancy invisible worsted and are a fine tailored Suit. Coat is made the new straight line style, with buttons in the back and a large patch pocket, finished with buttons. Skirt is finished with self-stitched bands and carries the straight line effect.

At \$25.00 are a number of different styles made of the plain and fancy worsteds and finished in the silk and the self-stitched band. These are Sample Suits we would be glad to order you one from, if it does not happen to be your size.

LADIES' EARLY SPRING SUITS.

At \$25.00 is a very good number in a black Suit. This Suit is especially designed for stout ladies, being made a little different than the regular lines. They come in sizes such as 33, 35, 37, 39, 41 and 43. This is a Suit that is a little larger over the hips and shorter waisted than the regular sizes. These Suits come in all colors and the ones we have now are made of a fine black worsted.

At \$27.50 are a number of different designs in the new Spring cut Suit. Some are made with the straight cut-away corner, while others are cut out at the waist line, showing the skirt. These are made of a fine quality finished worsted in invisible checks and stripes. Coats are cut thirty-four and thirty-six inches long, with the new circular Spring skirt.

At \$30.00 are a few fine worsted Sample Suits made in a new and very attractive style, which is sure to be a popular style of the season. Coats are a fine worsted in an invisible stripe effect. Coats are finished in silk and self-stitched bands and are lined with a taffeta silk of the same shade. Has the new skirt with stitched bands.

LADIES' WINTER SUITS.

What we have left of Winter Suits, and the style is not much different than the new Spring ones, we put in this week to close at half price. The most of these Suits are all right to wear all through the Spring and would be all right to put right in with the new ones, but there is only one of a kind and we could not duplicate them, so we would rather close them at these low prices.

There are two black Broadcloth Suits in good style and good length coat that was \$12.00, now only \$6.00.

At \$9.00 are two Suits, one black and one blue. These are a broadcloth of good quality and were \$18.00.
